### THANK YOU

*For Real*

If you're reading this, then you have already blessed my life by partnering with me as a subscribing member of Mama Sue's Family. I have prayed about this...contemplated what I needed to do, and you need to know I can sometimes overthink things. At some point, "done is better than perfect". I will be trusting you to help me improve as we grow together. This is going to be fun and I'm here for it.

# Coming Soon...

Our first Virtual Mixer!! I'm working on it and will be communicating details once everything is ready. It's going to be amazing to network with Mama Sue's Family from all over. We're limited with what we can do on some of the social media platforms, but in our own space, we'll be able to connect the names with a face and really chop it up.

I'm excited about it and I hope you will be too.

## FAMILY HIGHLIGHTS

### *We Are Family*

What makes this community so wonderful is each of YOU. I want to know and share what you are doing as highlighted in our quarterly Newsletter. Don't be bashful, we want to celebrate your accomplishments. I can hardly wait. Send the information to me via email at [msrosebe2@gmail.com](mailto:msrosebe2@gmail.com).

## REAL TALK

*"IF I KNEW THEN WHAT I KNOW NOW..." I would have done the same thing. Because what I know now is that you don't get to change the past, but you can use it and make better, more informed choices about the future.*
